

Call for papers
Special Session dedicated to
“Programme Management Methodologies”

The session focuses on the management of programmes and project portfolios and includes (but is not limited to) the following topics:

- Project selection and evaluation
- Quality assurance in programme management
- Financial management of programmes
- Programme Auditing
- Programme Evaluation
- Programme risk management
- EU and Public Sector programmes
- Quantitative techniques in programme management

The aim of the special session is to serve as a forum for identifying the distinct elements and characteristics of programme management and to incite the exchange of ideas, research results, and experiences in order to establish a research agenda and at the same time promote the dissemination of certain best practices.

Key dates:
